Sr Counsel, Associate General Counsel - Operations

Job Purpose/Role

Reporting to the Associate General Counsel/Senior Counsel of Operations and Tax, this position will assist in providing legal services with respect to all phases of the operations and the administration of our fixed index annuity, variable annuity, life insurance, and closed-block special market products. This role will provide timely, efficient and practical legal advice to Enterprise Operations & Distribution business partners concerning legal, regulatory and contractual issues and associated risks related to the administration of our products. This role will provide counsel on legal and regulatory requirements, corporate policies and procedures, best practices, and strategies for managing risk for issues involving the administration of all product lines. This role will be a trusted advisor to executive and senior management as well as to our home office business partners who support all aspects of operations.

Key Responsibilities

- Provide timely advice and guidance on day to day legal issues and strategic projects involving new business, underwriting, policy administration and claims processing.
- Serve as legal representative on various internal committees involving operational matters including change management, claim reviews and policyholder/producer requests.
- Analyze new and proposed state and federal regulations, laws and bulletins impacting the administration of our products.
- Advise compliance, special investigation unit and our litigation partners on investigations, complaints and litigation arising from the administration of our products.
- Routinely identify emerging trends and potential risks (in the administration of our products) to our company and educate business partners regarding best practices and strategies to minimize risk.
- Review and provide counsel on field and policyholder communications regarding the administration of our products.
- Engage with federal and state trade organizations (such as ACLI, IRI, LICONY) and internal subject matter experts on issues impacting the administration of insurance.

Key Requirements/Skills/Experience

Minimum Requirements:

- 8-10 years experience required: Law firm, Governmental or Administrative Agency and/or Insurance or Financial Services company
- Advanced degree required: Law degree from ABA accredited law school
- Licensed to practice in Minnesota or obtain a MN license within 9 months of hire

Preferred:

- Experience in the operations and administration of annuity, life insurance and closed-block special markets

products.

- Experience counseling clients on federal and state requirements applicable to operations and the administration of our products.
- Experience tracking and analyzing proposed and enacted regulations, laws and educational bulletins and advising business partners on the potential impact to the company.
